DECLARATION UNDER 37 C.F.R. §1.132

5 Dear Sir,

I, Kun-Yi Chan, one of the co-authors of the above-identified patent application,
hereby declare and state:

1. As an inventor for the instant application, I hereby declare that the instant application and
Lin (U.S. Publication No. 2004/0041571 A1) were, at the time that the invention of the
10 instant application was made, owned by the same assignee, MediaTek Incorporation.

2. The relevant portions stated in Lin reference and relied on in the rejection of the instant application disclose MediaTek's own fundamental work, and I have the knowledge of Lin's teachings at the time while the invention of the instant application was made.

5 3. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued hereon.
